

# 1,651 people experiencing homelessness were housed in Nashville from June 2022 through May 2023. This is a **19% decrease** from last year (June 2021 through May 2022.)

Source: De-duplicated Nashville–Davidson County HMIS data including permanent housing exits and move-in dates from **Emergency Shelters\***, **Transitional Housing**, **Street Outreach**, **Rapid Rehousing**, **Permanent Housing**, **Coordinated Entry (CE)**, and **Domestic Violence Coordinated Entry (DV CE)\*\***.

\*This data does not include information from the Nashville Rescue Mission.

\*\*DV CE data only includes the heads of household's information, and may under-represent the number of people fleeing domestic violence who were housed.

- In May, we had more housing exits than usual to VASH vouchers, Housing Choice Vouchers, and Permanent Supportive Housing.
- Of the 130 exits from rapid-rehousing programs in May, 89% were to permanent housing.
- Our community continues to house fewer people each month than the previous 12 month period. The 19% decrease for this 12-month period represents 397 fewer people being housed.
